

McKown Village, Cottage #8 Donations by St. Thomas More Parishioners and Friends

Listed below are the items and furnishings that, with just a few indicated exceptions, were donated by friends and parishioners to help make this house a home. With your cash donations, we were able to purchase some of the larger items we needed, provide a few groceries, and give our new resident \$100 in gift cards for her to use however she liked to help make this house *her home*. She later expressed that all she was expecting, or hoping for, "was a place to lay my head." Thanks to all who donated and volunteered to make this gift of a home possible.
